

GRASSROOTS ORGANIZING PARTNERSHIP

Regional Team Leader Application

The Utah Developmental Disabilities Council in conjunction with the Family to Family Network, the Legislative Coalition for People with Disabilities, Utah Independent Living Centers, and Utah Parent Center recently formed the Grassroots Organizing Partnership.

To that end we are in search of a "few good men and women" to create a Regional Network in your area. We are looking for strong voices in the disability community who will work hard for what they believe in and educate policy and decision makers about our issues. We will need one each: an individual with a disability, a parent or family member and a support staff, provider or other interested community member.
